

Wednesday 15<sup>th</sup> November 2017

Dear Parents/Carers,

Our annual Christmas show will take place on Thursday 14<sup>th</sup> December at Hextable Village Hall, during which all the staff and children will be singing Christmas songs.

The Christmas Fayre will open from 9:00am with the children starting their performances at 10:00am. There will be Christmas stalls, games and refreshments plus a special visitor 

This year we have decided to give all the children a role which they can dress up for. Please do not feel you need to go and buy a costume or spend lots of money on anything, something as simple as a crown for a king or ears for a sheep or head scarf for a shepherd will be more than satisfactory. We do have a few items at the Pre-School but not enough for everyone.

Any child that does not normally attend this session is welcome to join in as are all families and siblings. All we ask is you drop your child off to Pre-school for 9:00am as they will all be taken over to the Village Hall by staff. Once the performance has finished, your child will then be in your care for the rest of the fayre.

If you have any questions please do not hesitate to contact me.

Regards,

Claire Peters  
Pre-School Manager
